Item 1 Security and Issuer.

This statement relates to certain shares (the “Common Stock”) of common stock, par value \$0.01 per share of Celsion Corporation, a corporation organized under the laws of the State of Delaware (the “Company” or the “Issuer”) with principal offices at 10220-L Old Columbia Road, Columbia, Maryland 21046-2364. Information given in response to each item shall be deemed incorporated by reference in all other items, as applicable.

Item 2 Identity and Background.

(a) This Schedule 13D is being filed by The Mangrove Partners Fund, L.P., a Delaware limited partnership (“Mangrove Fund”), Mangrove Partners, a Cayman Islands exempted company with limited liability (“Mangrove Partners”), Mangrove Capital, a Cayman Islands exempted company with limited liability (“Mangrove Capital”), and Nathaniel August, an individual.

Each of the foregoing persons or entities is referred to herein as a “Reporting Person” or collectively as “Reporting Persons.”

(b) The business address of each of the Reporting Persons is 10 East 53rd Street, 31st Floor, New York, New York 10022.

(c) Mangrove Fund is a private investment fund engaged in the business of acquiring, holding and disposing of investments in various companies. The principal business of Mangrove Capital is serving as the general partner of Mangrove Fund. The principal business of Mangrove Partners is serving as the investment manager of Mangrove Fund. The principal occupation of Mr. August is serving as Director of Mangrove Partners.

(d) During the last five years, none of the Reporting Persons has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

(e) During the last five years, none of the Reporting Persons was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) Mr. August is a citizen of the United States.

Item 3 Source and Amount of Funds or Other Consideration.

As of the date of this Schedule 13D, Mangrove Fund owns 1,526,171 shares of Common Stock, purchased for an aggregate price of \$4,808,803.31 and options to acquire 141,500 shares of Common Stock, purchased for an aggregate price of \$31,192.92. No other Common Stock or Common Stock equivalent is owned by any Reporting Person.

Item 4 Purpose of Transaction.

Mangrove Fund acquired the Common Stock beneficially owned by the Reporting Persons in the ordinary course of purchasing, selling and investing in securities. In the ordinary course of performing research, Mangrove Partners, on behalf of Mangrove Fund, held a conference call with officers of the Company on September 23, 2011. As part of the conference call, Mangrove Partners acknowledged the Company's recent comments that the ongoing clinical trial for Thermodox is unlikely to stop for efficacy at the upcoming interim analysis and made certain recommendations with regards to the Company's strategic direction and the ongoing Thermodox drug trial. In the event that the trial continues onto its final endpoint, Mangrove Partners recommended that the Company lower the number of events for its trial endpoint and report the observed hazard ratio for Progression Free Survival at the time of the interim look. Mangrove Partners recommended the reduction in the number of events for the final endpoint based on its estimate that the trial endpoint of 380 events will not happen until the second half of 2013 and the implication thereof to Mangrove Partners that the Company will require additional funding during the intervening period. Mangrove Partners expressed its desire for the Company to provide a meaningful update on the trial in order to minimize the cost of additional capital should Mangrove's concerns regarding additional funding be correct. In the event that the Thermodox trial shows statistical significance for Progression Free Survival at the upcoming interim look, Mangrove Partners recommended that the Company consider splitting the endpoints of the trial between Progression Free Survival and Overall Survival and filing for approval based only on Progression Free Survival. Mangrove Partners explained that it believes that by doing so the Company could have two opportunities to file a New Drug Application for Thermodox with the Food and Drug Administration and that Thermodox could have an expanded label versus what would be available with a simultaneous unblinding that contains only a trend on the overall survival endpoint. The Company indicated that it intends to comply with the Special Protocol Assessment that exists between the Company and the Food and Drug Administration and that some or all of Mangrove Partners' recommended actions may therefore not be possible. The Company further indicated that pursuant to the Special Protocol Assessment, it may not have access to or control access to the information necessary to act on Mangrove's recommendations.

All of the shares of Common Stock reported herein as being beneficially owned by the Reporting Persons were acquired for investment purposes. Except as set forth herein, the Reporting Persons do not have any plans or proposals that relate to or would result in any of the transactions described in Item 4 of Schedule 13D.

The Reporting Persons reserve the right to acquire, or cause to be acquired, additional securities of the Issuer, to dispose of, or cause to be disposed, such securities at any time or to formulate other purposes, plans or proposals regarding the Issuer or any of its securities, to the extent deemed advisable in light of general investment and trading policies of the Reporting Persons, market conditions or other factors.
